WILL GIVE INSTRUCTION IN LIFE-SAVING METHODS

Y. M. C. A. Courses Aim at Preventing Drownings Through Carelessness of Canocists.

To check the loss of life caused through carelessness of canoeists and inexperience of swimmers each spring and summer on the Potomac river, the Y. M. C. A. has inaugurated a novel scheme of lifesaving instruction, to go into effect June 1. Men and boys will be taught not only how to swim, but how to manage canoes and how to act in cases of emergency. Nils G. Hansen, assistant physical director of the Y. M. C. A. and swimming instructor, is the leading spirit in the

It is planned by the committee in charge to hold classes of instruction each Saturday afternoon in June at 3:30 o'clock, at Moore's boathouse, just above the Aqueduct bridge, in Georgetown. Mr. Hansen will be assisted in the work by Reginald Rutherford, captain of the Y. M. C. A. swimming team; E. B. Ansley, B. A. De Lashmutt and W. L. Crane, all of them expert swimmers and canoeists. Men and boys will be taught the rudiments of swimming. The lessons will begin with instruction on land and the pupils will be allowed to enter the water as they develop proficiency. Particular attention will be paid to life saving. Canoeists will be taught what to do in cases of emergency, how to prevent their skiffs from swamping in the wake of passing tugs and other vessels and case of upsetting, and the easiest way to save not only themselves, but whosoever shall be in the boat with them at the time. Presence of mind will be one of the things insisted upon from the very

Mr. Hansen already has received en couraging responses from many persons who are anxious to attend the courses, which will be open to all who desire to come. A meeting will be held at an early date to complete arrangements.

OLD-TIME REMEDY

Gives Color, Luster to Faded and Gray Hair-Dandruff

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost every one knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Nowadays, almost any up-to-date druggist can supply his patrons with a ready-touse product, skillfully prepared in perfectly equipped labora-

An ideal preparation of this sort is Wyeth's Sage and Sul-phur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin. weak hair that is losing its color or coming out. After using this remedy for a few days, you will, notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful

difference in your hair. Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Agent, James O'Don-
